**Respondents**

1 The petitioners, by and through their attorney of record, and respondents, by and through  
2 their attorneys of record, hereby submit a stipulation pursuant to Civil L.R. 6-2, and subject to  
3 approval of the Court, requesting an order changing the filing deadline for petitioners' opposition  
4 to respondents' motion to dismiss to October 5, 2007.

5 This stipulation is submitted because, after petitioners responded to the respondents'  
6 Request for Evidence (RFE), delivered to the Nebraska Service Center on June 11, 2007,  
7 petitioners and respondents anticipated that the FBI name check would be completed at any  
8 moment, thus obviating the need to litigate this case, and avoiding undue burden on the system  
9 and costs to the petitioners.  
10

11 There has been one prior time modification in the case: a stipulation to extend the date of  
12 the hearing on respondents' motion to dismiss to October 12, 2007 at 10:00 a.m., and to extend  
13 the date of the case management conference to November 16, 2007 at 10:00 a.m.

14 The instant requested time modification should not have any effect on the schedule for  
15 the case since the hearing on respondents' motion to dismiss has been vacated and the motion  
16 will be decided on the papers. The requested time modification will allow petitioners to file their  
17 opposition to respondents' motion to dismiss for consideration by the judge.
